## The UNVEILING

The Odawa Aboriginal Community Justice Program would like to cordially invite you to attend The Unveiling on April 19th, 2013 at the Ottawa Courthouse located at 161 Elgin St. Our program offers community justice services to off-set the over-representation of Aboriginal, Metis and Inuit peoples in the criminal justice system. We are honored to present our new OACJP posters in English, French, Inuit and Braille. Our program's continued success depends on increasing awareness in the community.

The event will include:

- Traditional opening and closing ceremonies
- Guest Speakers
- Traditional singing and drumming
- Refreshments

Respectfully yours,

Mark Marsolais  
Aboriginal Community Justice Coordinator
